20° Anniversario di Agripolis

L'internazionalizzazione della Scuola di Agraria e Medicina Veterinaria

Davide Pettenella

“Internazionalizzazione” come idea base di Agripolis che nasce dall’osservazione di altri poli di ricerca e trasferimento tecnologico all’estero

... con una attenzione particolare ai centri
USA di ricerca e trasferimento tecnologico

Global Excellence: The College of Agricultural and Environmental Sciences

The College of Agricultural and Environmental Sciences at **UC Davis** is a global leader in its scientific expertise. Through **research**, **education**, and **outreach**, we promote healthier lives, and an improved standard of living for everyone by addressing critical food systems, the environment, and human and social sciences. **Join our community**

The screenshot shows the FONASO website, which is part of the Erasmus Mundus Joint Doctorate programme. The header features the FONASO logo and the tagline "Forest and Nature for Society". The navigation menu includes links for ABOUT FONASO, PARTNERS, RESEARCH TOPICS, HOW TO APPLY, FELLOWSHIPS, ONGOING PROJECTS, FAQ, and CONTACT. The main content area is divided into several sections: "FONASO" describing the programme as a world-class Erasmus Mundus Joint Doctoral Programme offered by a consortium of internationally recognised European universities, listing partners like the University of Copenhagen, Swedish University of Agricultural Sciences, Bangor University, Dresden University of Technology, University of Göttingen, AgroParisTech, and University of Padova; "FONASO offers" detailing the programme's focus on economics & policy and ecology & silviculture, emphasis on applied research and joint supervision, joint research with leading research and industry organisations in Africa, Asia, Australia, Europe and North America, and attractive EU Fellowships; "Partners" with a map of Europe and a link to read more; "Call open - application for FONASO fellowships" announcing the call for applications for study start in the fall of 2013, with a deadline of 1 November 2012, and providing links to research topics and the application form; and "Part of Erasmus Mundus" with a link to read more on ec.europa.eu. The footer mentions that the website is hosted by The Faculty of Life Sciences, University of Copenhagen.
